

✕ Dakro®

12/24 months
guarantee
unlimited mileage

Service time 1-5 days

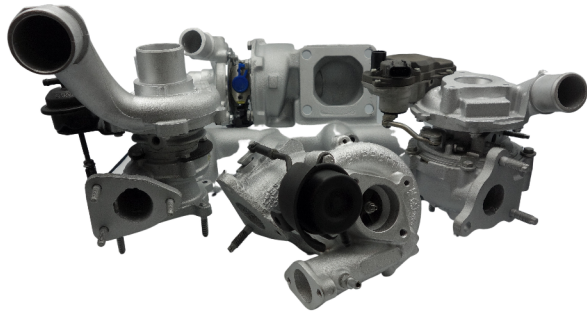

(depending on parts' availability)

- Bosch PDE Unit Injectors • VP29/30 VP44 Injection Pumps •
- Turbochargers • ECU Repairs • CR pump shafts •
- Common Rail Pumps • Common Rail Injectors •

Injection Pumps, PDE Injectors, Turbochargers

- ✘ Verification
- ✘ VP29/30 regeneration
- ✘ VP44 regeneration
- ✘ Regeneration on NEW ECU
- ✘ ECU repair
- ✘ Bosch PDE1 and PDE2 regeneration
- ✘ Verification of unit Injectors
- ✘ Complete Turbochargers remanufacture on new cores

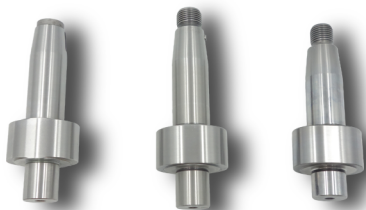

Common Rail System: Bosch Delphi Denso Siemens/VDO pumps, injectors and shafts

- ✘ CR pumps testing / verification
- ✘ Complete CR pumps regeneration
- ✘ Solutions for various brands
- ✘ Dedicated parts
- ✘ Authorized devices
- ✘ Pump shafts

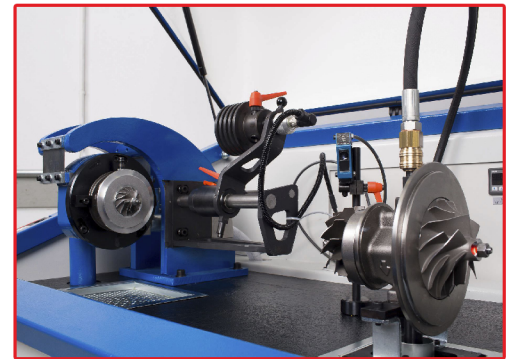

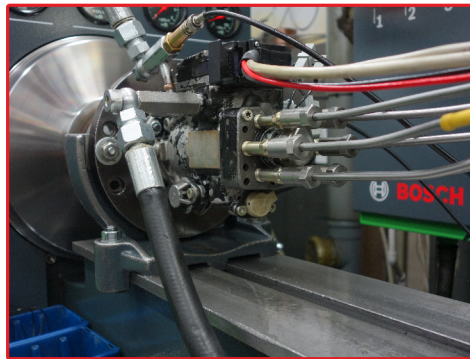

- ✘ CR injectors testing / verification
- ✘ Solutions for various brands
- ✘ Dedicated parts
- ✘ Authorized devices
- ✘ Patented remanufacture procedure of CR injectors

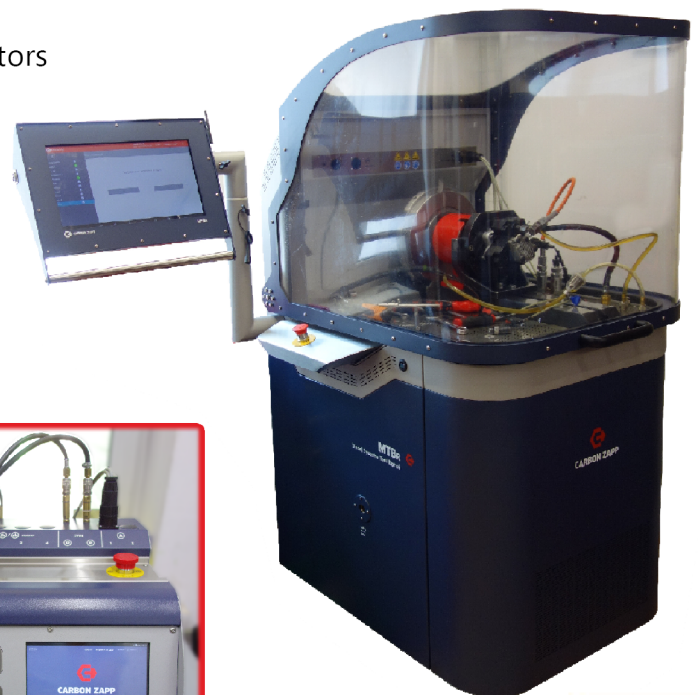

- ✘ Bosch EPS815 with Cambox adapter
- ✘ Hartridge HK1400 Universal EUI/EUP Cambox
- ✘ Complete Bosch PDE diagnosis, testing, remanufacture
- ✘ Bosch EPS815 with KMA802/822 test bench
- ✘ VP 29/30 and VP44 calibration / testing procedure
- ✘ Cimat CMT48 VSR Horizontal balancing machine
- ✘ G3-min-Flow (air) flow bench
- ✘ Turbochargers balancing, geometry calibration, flow measurements

Common Rail System: Carbon Zapp & Hartridge test benches

- ✘ Coding of Bosch, Delphi, Denso and Siemens injectors
- ✘ Carbon Zapp MTBr multi-purpose test bench
- ✘ Hartridge IFT-200 test bench
- ✘ Carbon Zapp DCDSr CRDI Simulator
- ✘ CR pumps & injectors testing

What makes us different from competition:
